Coringeput Division Office

St. Thomas Mount

12 - December - 1891

No. 5008

From

The Executive Engineer

Coringeput Division

To

The Superintending Engineer

V. Circle

Sir

I have the honor to forward herewith a proposition statement for a slight permanent increase to the pay of Cheembambakam Tank Superintendent P. Chellaperumal Pillai and to request that you will kindly forward the same to Government with your favourable endorsement.

2. I beg to recommend this increase as his present pay Rs 12 seems inadequate as compared to his responsible post as Karattur Ancient and New Bangaru Channel and Cheembambakam Tank Superintendent. I may also state that during the 4 years that I had Charge

charge of the Division, I had never  
received any complaint from the  
ryots in regard to the distribu-  
-tion of water.

In this connection I beg  
to refer you to my last letter No.  
2933 dated 10-10-90 on the subject  
of his case for his then exemption

I have &c

(Signed), Henry Charles Purdie

FOR ORDERS.

The rate of pay of  
Superintendents on the  
Water Regulation Establish-  
ment varies considerably.  
It is fixed with reference  
to the duties in each  
case. The Executive  
Engineer considers that  
the Chembumbakam  
Tank Superintendent  
should have his pay  
raised from Rs 12 to  
Rs 14, and the proposal  
is supported by the  
Deputy Engineer, while  
the Chief Engineer &  
Superintendent sees no  
objection.

Very truly  
Yours
