Dated, Bassein, Burma, 23rd November, 1891

My Lord,

As Government contemplate the construction of a Harbour at Vizagapatam I take the liberty of forwarding to your Lordship's address, a set of papers containing a report of mine together with a small plan and a memorandum by the late Mr. G. G. Thomas, C. S. who was judge at that station at the time I was engaged on that work dated so far back as 1875.

2. I was telegraphed for from Bombay by His Highness the late Maha-Rajah of Vijaynagar and the late Mr. G. L. Kinsingarao a rich Zemindar of the province to prepare a survey and report on the project of a Harbour.

3. This was done and I presented in person the detail drawings, estimate and petition for His Highness the Maha-Rajah to the then Governor of Madras the Duke of Buckingham and Chandos.

4. The project was not sanctioned as it was considered a rival to the Madras Harbour then under construction and further the concession asked for would not be granted.

5. Now that the Railway is being constructed through this District, a report on this most important site has attracted the

the notice of Government and from what I can gather your Lordship is about to send out a Special Engineer to report on its capabilities.

6. If the report be favourable and Government are disposed to carry out the work may I solicit the favour of your Lordship appointing me as Engineer to the works. I am well acquainted with the whole of the district and details of the town of Vizagapatam, can speak the language of the country (Telugoo) fluently as well as Tamil. I am at present Municipal Engineer to this Town and am in receipt of Rs. 800/- a month and shall be glad to better my circumstances.

7. I may here mention that I have already submitted similar paper on this project to Colonel Pemberton, Secretary to the Government of India P.W. Dept. and he has informed me "that should any action be determined on your wishes will be borne in mind"

8. I cannot do better than refer your Lordship to Sir C. Bernard, Sir G. Birdwood both of the India Office as also Mr Willock of the Civil Service now in England and was in Vizagapatam when this very survey was being made by me.

With best respects,

I have &c.

No. 1.

TO HIS EXCELLENCY THE RIGHT HONOURABLE THE GOVERNOR
IN COUNCIL, FORT ST. GEORGE.

My Lord,

I transmit herewith for Your
Excellency's information copy of a
letter and its enclosures addressed
to me by Mr. W. J. Addis, C.E., of
Bassein, Burma, on the subject of
the construction of a harbour at
Vizagapatam.

I have the honour to be,

My Lord,

Your Lordship's most obedient humble Servant,

I think the papers forwarded
with this despatch will be
sent alone to
Mr. Thorneycroft the
Engineer now engaged in
reporting on the feasibility
of building a harbour at
Vizagapatam. I have not already sent him
the papers.
