Endorsement of the Public Works Department, dated 28th April and 21st July 1891, No. 111 D and 550 D, respectively.

Letter from the Director of Public Instruction, Madras, dated 23rd July 1891, No. 8421.

In returning reference dated 8th May last, regarding the transfer of the "Upper story of the Theppaculum Post Office" at Trichinopoly to the Educational Department, I have the honor to enclose copy of a letter from the Chairman, Municipal Council, Trichinopoly, to the address of the Assistant Inspector of Schools, 8th Division, from which it appears that the building in question was never in possession of the Municipality. It was at one time occupied by the Lady Hobart Girls' school. In January 1889, the Sub-Assistant Inspector of Schools, Trichinopoly, took charge of it and certain old records belonging to the late 4th Division Inspector's office were kept in one of the rooms.

2. In March 1890 the Principal, S. P. G. College, Trichinopoly, who was in need of additional accommodation in consequence of the opening of an Upper Secondary department, applied for permission to rent it. The building has been lent to the S. P. G. Society on a monthly rental of Rupees five. The rental agreement executed by the Manager is submitted for reference. A similar course was followed in the cases of Government School houses at Periyakulam and Dindigul, and it will be seen from G. Os. No. 564 and 712 dated 11th September 1889 and 6th November 1890, respectively, that the sanction of Government was sought only when the buildings were transferred to local bodies on the Department finding it unnecessary to retain possession of them for educational purposes. In the case of the building in Trichinopoly, possession was not parted with because it was considered that the house would be required for Departmental purposes at some future time.

3. The Educational Department has, therefore, neither vacated nor relinquished the building in question. The date on which and the authority under which it was transferred will be reported as soon as exact information is received from the Inspector of Schools.

Order

Order 11th August 1891 No. 633.

The above letter from the Director of Public Instruction will be communicated to the Public Works Department. x 53/8

2. The Director of Public Instruction will be requested to state how the rent of the building in question has been estimated and whether the amount has ever been approved by the Public Works Department.

3. The particulars connected with the transfer of the building to the Educational Department will be furnished to the Public Works Department on receipt from the Director of Public Instruction of the information promised in paragraph 3 of his letter.

4. The Director of Public Instruction should submit a very early reply to endorsement on Current No. 441, dated 5th May 1891 regarding jutka allowance

2. With reference to your remark in para 2, I would point out that the lower storey of this building is actually in charge of the P.W. Department and that repairs to it have from year to year been carried out by that Department. There can therefore I think, be no doubt that the building belongs to the P.W.D. and the fact that the Educational Department was allowed to use the upper storey gave that department no right to rent it to any one else, vide code para 980. They should have handed it over to the P.W.D., and left it to that department to rent it, temporarily or permanently, at its discretion.

With reference to G.Os. Nos. 633 and 181 R, dated 11th August and 4th December 1891 Edl., respectively, I have the honour to submit copy of a letter from the Executive Engineer, Trichinopoly Division, approving of the rate of rent fixed by this Department for the Upper Story of the Teppakulam Post office. The S. P. G. authorities have given notice that they will vacate it.

2. It is not very clear from the records forthcoming in this office when this particular building was transferred to this Department. I beg to invite the attention of Government to its orders Nos. 137 and 348, dated 5th April and 5th September 1877, from which it will be seen that an unused portion of the Nawab's Palace in Trichinopoly, was occupied by the Government Normal School, but its utilization for purposes already reported was, I presume, subsequent to its transfer to Kulitalai by the District Board.

See general record [illegible] in the Post [illegible]
