15TH FEBRUARY 1892, No. 470 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper :—

From R. D. BROADFOOT, Esq., President, Taluk Board, Hosūr, to the Chief Secretary to Government (through the President, District Board, Salem), dated 12th January 1892, Ref. No. 2786-L.F.

I have the honour to state that the Executive Engineer, Coimbatore division, was asked by my predecessor to transfer to Local funds the portion of the old cutcherry building at Dharmapuri, measuring about 7 anganams, used by the Union Panchayet of that place and the Local Fund overseer's office, as the same was required for the use of the Union Panchayet office. The Executive Engineer in his letter No. 2844, dated 6th May 1891 (copy enclosed), replied that he had no objection to the transfer.

On the strength of that letter the Union Chairman was ordered to get the portion of the old building repaired and to use it for the Panchayet office. The Union Panchayet has sanctioned an estimate for Rs. 365 for the repair of the building and it is now under repair.

As I think that the grant will be valid only if it is sanctioned by Government, I take this opportunity of writing to you on the subject.

I request, therefore, that you will be so good as to obtain the sanction of Government for the above-mentioned transfer.

ENCLOSURE.

From J. C. LARMINIE, Esq., Executive Engineer, Coimbatore division, to the President, Taluk Board, Hosūr, dated Erode, 6th May 1891, No. 2844.

With reference to your letter No. 1668 of 1st November 1890, I have the honour to inform you that there is no objection to the required transfer to Local funds the portion of the old taluk cutcherry building at Dharmapuri.
