PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Proceedings of the Revenue Department, dated 26th January 1892, No. 99, approving the relief works selected in the Taluks of Attamkur, Adarayagiri and Kavali, Nellore District; and referring the question of the provision of funds (para 2 of the Revenue Board's Proceedings) to the Financial Department.

Order 1st February 1892 No. 124

Any expenditure that may be incurred by the Public Works Department on the roads named in paragraph 3 of the Board's Proceedings will be met from savings in the reduced grant of 28 lakhs for the current year under 45 Civil Works.

This is doubtful whether there will be savings in the reduced grant. However, sanctioning of savings is quite in order under PW rules.

As regards Local fund works a contribution of Rs 20,000 was sanctioned from Provincial funds in G. O. Financial No. 80 dated 22nd January 1892. A further grant of Rs 30,000 (Thirty thousand) will now be placed at the disposal of the President, subject

subject to eventual adjustment -
