PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Endorsement of the Director of Public Instruction, dated 29th January 1892 No. 1143, on the following letter from the Chairman, Cotlacanund Lawrence Asylum, dated 14th January 1892 No. 1504.

I have the honor, under instruction of the Managing Committee, to request the sanction of Government for the sale of a large quantity of old and useless machinery, together with other old materials, as per list enclosed. The machinery was used by the Public Works Department when the Asylum was being built. After that the Department handed over the machinery to the Asylum; but it has ceased to be of any practical use to us, and is deteriorating by being left unused. Just at present an opportunity presents itself for the disposal of this machinery, as new saw mills are about to be erected at Calicut.

Order, 9th February 1892 No. 127.

The Committee's proposal is approved.
