GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From H. IRWIN, Esq., C.I.E., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepāk, 12th February 1892, No. 3914.

With reference to your circular memo. No. 378 C., dated 25th January 1892, I have the honour to state that the total probable expenditure on Provincial Civil Works during the current official year will be Rs 8,74,241. The above amount is net expenditure after deducting the present proposed surrender of Rs 71,893 as detailed below :—

	RS.
1. Additional accommodation for the School of Arts	3,000
2. New High Court works	10,000
3. Victoria Technical Institute and Connemara Free Library	50,000
(a) Provincial, Original, Miscellaneous Public Improvements, Minor	2,000
4. Constructing coach houses and stables, Marine Villa	415
5. Converting the stage room into record, stationery and despatch room, office of the Director of Public Instruction, Old College Hall	227
6. Constructing rest-shed at the General Hospital	251
7. Constructing third story, General Hospital	6,000

2. The surrenders in items Nos. 1 and 2 are chiefly due for the non-receipt of girders indented for from England.

3. As there will be some difficulty in getting through the work as fast as was intended, the surrender of Rs. 50,000 out of the grant for item No. 3 has also now been proposed. Necessary application for funds will be made later on if any thing more could possibly be spent on the works before the end of the current official year. The surrender of Rs. 2,000 omitted to be included in my letter No. 3743, dated 26th January 1892, has now been proposed, as no work has been commenced under Provincial, Original Works, Miscellaneous Public Improvements. The surrenders in items Nos. 4, 5 and 6 are due to savings on completed works and on item No. 7 to certain alterations and additions recently proposed by the hospital authorities, which vary so much from the original design and consequent to which it is found impossible to carry out before the end of the current official year certain estimated items of works. I have, therefore, proposed to surrender the sum of Rs. 6,000 from the grant for the work. From the above surrender of Rs. 71,893, a sum of Rs. 4,000 may be transferred to constructing new criminal enclosure to Lunatic Asylum, with which the work may be completed before the end of this year.

ORDER—dated 17th February 1892, No. 504 W., Public Works.

The following sums surrendered by the Consulting Architect are resumed and credited to the Provincial reserve with the Government:—

	RS.
1. Additional accommodation for the School of Arts	3,000
2. New buildings for the High Court	10,000
3. Victoria Technical Institute and Public Library	50,000
4. Miscellaneous Public Improvements, Minor Works	2,000
5. Constructing coach houses and stables at the Marine Villa	415
6. Converting the stage room of the Old College into office rooms for the Director of Public Instruction	227
7. Constructing rest-shed for out-patients at the General Hospital	251
8. Constructing third story for native gentlemen and ordinary native patients at the General Hospital	6,000
Total	71,893

2. The additional grant of Rs. 4,000 required for completing the new criminal enclosure to the Lunatic Asylum is appropriated from the Provincial reserve.
