Sir,

With reference to your letter No. 2890-10 dated 28th October 1891, stating that a patent flexible arm belt shipper No. 3, from 4" to 8", should be supplied on the indent forwarded with your letter No. 1485-10 dated 1st June 1891, I have the honour to inform you that the "flexible arm" type of shipper is not suitable for belts wider than 4 inches, as stated in Messrs Selig Sonnenthal & Co's. letter of 30th July 1891, a copy of which was sent to you with my letter No. S. 12987 of 24th August 1891. A patent "safety" belt shipper No. 3, suitable for belts 4" to 8" has therefore been ordered.

The lever belt stretcher alluded to by you in your letter, was shipped per S.S. "Ganges", which sailed on the 1st October 1891.

I have the honour to be,

Sir,

Your obedient servant.
