From
Major W. L. B. Baddeley, R.E.
To
The Under Secretary of State for India

Sir,

I have the honour to inform you that
I have to day sent you the following telegram
"Please cancel my letter of yesterday Baddeley"

2. I now beg to forward an extract from the
Proceedings of the Madras Government, granting
me permission to apply for furlough, and
accordingly I have the honour to request that
I may be allowed to take one year's furlough
from the 1st December next, my course at Chatham
ending on the 30th November.

3. The information asked for by the Government
of Madras regarding my salary while in
England is apparently unnecessary, for as
an officer in receipt of Military pay and staff
pay, my furlough pay is regulated by that of
my substantive appointment (Executive Engineer,
2nd grade, S.W.D. Madras) and not by my
average salary for the last three years, this rule
(average salary) applying only to officers in receipt

of consolidated pay.

4. I may also mention that as a Military officer under civil leave rules, my furlough pay is subject to a minimum of £500 per annum. The Examiner of P.W. Accounts, Madras has apparently overlooked the fact that I am in receipt of Military pay and staff pay and that my deputation to Chatham for a course of instruction does not deprive me of my substantive appointment in the Public Works Department as Executive Engineer 2nd grade.

5. As it may take some time before I receive a Last Pay certificate from India, I beg to request that my Agents Messrs Coe & Co., may be allowed to draw my furlough allowances at the rate of £500 per annum from 1st December that being the minimum amount of furlough pay admissible to a Military officer under the Civil Leave Rules.

I have &c.

Sd, W. L. B. Baddeley.

Sir,

I am directed by the Secretary of State for India in Council to acknowledge the receipt of your letter of the 11th Ultimo. and to acquaint you, in reply that you have been granted furlough, under Article 340 of the Civil Service Regulations, for one year from the 1st Instant, and that the Accountant-General at this Office has been authorized to issue your furlough pay at the civil minimum rate of £500 a year, subject to any adjustment that may be necessary on receipt of the usual leave and pay certificate, for which you should apply to the authorities in India.

I am,

Sir,

Your obedient servant.

Major W. L. B. Baddeley, R.E.

Copy Report by the Accountant General,
dated 19th November 1891

57/3

There is no record in this Department of the date from which Major Baddeley came under the Civil Service Regulations. If he were in civil employ before the 1st April 1888 he would appear to be entitled to half average salary subject to a minimum of £500 a year.

Major Baddeley's course of instruction at Batham commenced on the 5th March 1891 and will end 30th November 1891 during which he receives the English pay of his rank 16s a day Engineer pay of a day, and servants allowance 1s a day from 30th March last. It would however appear doubtful whether that period should be included in the calculation of average salary as stated by Major O.V. Boddy, R.E. on 9th September 1891 as by note 2 to Article 18 it would only be included on the assumption that the officer drew full salary whereas Major Baddeley only drew English pay, Engineer pay & servants allowance.
