GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

READ—the following papers :—

Office-note from the Examiner, Public Works Accounts, dated Madras, 12th November 1891, No. 6948.

Referring to G.O., No. 2746 W., dated 17th October 1891, I beg to point out that, in the final list therewith printed of churches and cemeteries to be repaired by Public Works Department, the following Roman Catholic churches purchased by Government in 1880 (*vide* G.O., No. 1306 W., dated 2nd June 1880) are not included.

St. John the Baptist's, Poonamallee.  
St. Patrick's, St. Thomas' Mount.

2. Kindly let me know whether the repairs of these churches should be carried out by this department.

Office-note from the same officer, dated 18th November 1891, No. 7139.

The final list of churches and cemeteries to be repaired by the Public Works Department drawn up by the Archdeacon of Madras and approved in G.O., No. 2746 W., dated 17th October 1891, does not seem to be quite correct so far as the other recommendations of the Archdeacon [list of proposed (1) "omissions" and (2) "additions" to the Madras Standing Order] go.

2. For instance, the following churches and cemeteries which were included in the original \* Standing Order and which are not included in the "omissions" proposed by the Archdeacon are omitted in the final list now sanctioned :—

\* Herewith sent for reference and return.

1. Christ's church at Kótagiri.
2. Cemetery at do.
3. St. Andrew's Kirk, Madras.
4. Do. do. Bangalore.

3. Again, St. John's church at Trichinopoly was not included in the original Standing Order, nor is it shown in the "additions" proposed by the Archdeacon, but it is included in the final list.

4. The Venerable the Archdeacon's final list was apparently confined to buildings appertaining to the Church of England only and hence probably the cause of omission of St. Andrew's Kirks at Madras and Bangalore from that list, but it is presumed that these churches should be included in the Standing Order now ordered to be revised.

5. With regard to the omission of the church and cemetery at Kótagiri from the final list, it may perhaps be advisable to ascertain from the Archdeacon whether the omission was intentional or if it was an oversight, also whether St. John's church at Trichinopoly, which was not included in the original Standing Order or in the Archdeacon's proposed "additions" should be inserted in the revised Standing Order.

6. I would also suggest that the names or other particulars of the Government cemeteries at Madras and Bangalore, for the repair of which the Public Works Department is responsible, be ascertained from the Archdeacon in order that the Standing Order may be complete.

No. 5325 C.

Copies forwarded to the Ecclesiastical Department in view to the Venerable the Archdeacon being requested to give the information asked for in the Examiner's office-note No. 7139, dated 18th November 1891.

2. It seems desirable also that the Roman Catholic Archbishop of Madras and the Senior Chaplain, Church of Scotland, should be asked to furnish lists of Government churches and cemeteries, for the repairs of which the Public Works Department should be responsible.

Secretary to Govt., P.W.D.

List of Government churches and cemeteries connected with the Church of Scotland in the Presidency, for the repairs of which the Public Works Department should be responsible.

Bangalore.—St. Andrew's church and out-offices therewith connected, together with church compound.

#### CEMETERY.

Madras.—St. Andrew's cemetery.

Order—dated 4th January 1892, No. 1, Ecclesiastical.

Communicated to the Public Works Department in continuation of G.O., dated 21st December 1891, No. 99.

(True Extract.)

Ag. Under-Secretary.

From the Rev. W. W. ELWES, M.A., Acting Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 12th January 1892, No. 933.

I have the honour to acknowledge the receipt of G.O., dated 3rd December 1891, No. 94, Ecclesiastical Department.

2. Christ church, Kótagiri, was omitted from the proposed final list of churches and cemeteries to be repaired by the Public Works Department, as not being a Church of England church. I have ascertained that it is a Government building available for services by any Christian denomination. I would suggest, therefore, that it be included in the list of churches to be repaired by the Public Works Department under the name of Christ church, Kótagiri.

3. Kótagiri cemetery was omitted by an oversight. It should, I think, be included in the list of cemeteries to be repaired by the Public Works Department.

4. St. Andrew's Kirks, Madras and Bangalore, were omitted from my list, as I have no official knowledge of the relation of Government to any churches or cemeteries, except those which are in some way connected with the Church of England.

5. St. John's church, Trichinopoly, is included in the final list proposed by me, but it is not entered under the head of "additions," as it seemed to me, from the correspondence under reply in my letter No. 798, dated 21st September 1891, that it had been repaired by the Public Works Department and that it had been decided before the correspondence was sent to me that it should continue to be so repaired. I think this church should stand on the list of those to be repaired by the Public Works Department.

6. The following I understand to be the cemeteries at Madras and Bangalore which should be repaired by the Public Works Department:—

*Madras.*

1. St. George's cathedral cemetery.
2. St. Mary's cemetery.
3. Old cemetery, Washermanpetta.
4. New do. do.
5. St. Mathias' cemetery.
6. Quibble Island cemetery.

I believe this last is a Government cemetery, but there seems a doubt about it, which doubt I am unable to solve from any records in my office or from any information which I have been able to obtain.

*Bangalore.*

1. Cemetery, south of R.A. barracks.
2. Tank road cemetery.
3. Richmond road cemetery.
4. Hosur road cemetery.

3. In accordance with G.O., No. 3346 W., dated 11th December 1891, the churches and cemeteries at stations, from which the Public Works Department has retired, will be in charge of the Military Works Department.

4. Superintending Engineers concerned will report whether the undermentioned cemeteries and church included in the list submitted by the Archbishop of Madras are Government property and have hitherto been repaired by the Public Works Department:—

No. 933

From

THE REV. W. WESTON ELWES, M.A.,

ACTING ARCHDEACON OF MADRAS,

To

The Hon. The Chief Secretary  
to the Govt. of Madras

Sir, I have the honor to acknowledge the receipt  
of G.O. 3rd Dec. 1891 No 94. Ecclesiastical Dept.

2. Christ Church, Kelapara was omitted  
from the proposed final list of Churches &  
Cemetries to be repaired by the D.P.W., as not being  
a Church of England Church. I have ascertained  
that it is a Government Building available  
for services by any Christian Denomination.  
I would suggest therefore that it be included in  
the list of Churches to be repaired by the  
D.P.W. under the name of

Christ Church, Kelapara.

3. Kelapara Cemetery was omitted by an  
oversight. It should I think be included  
in the list of Cemetries to be repaired by the  
D.P.W.

4. St Andrews Kirk, Madras & Bangalore  
were omitted from my list as I have no  
official knowledge of the relation of Government  
to any Church or Cemetries except those where  
there is some connection with the Church of  
England.
