From the President, District Board, Godavari dated 2nd February 1892

No. 17.

In reference to paragraph 2 of G. O. No. 3171 W. Public Works, dated 26 November 1891 communicated with G. O. dated the 4th instant No. 5 L. Mis., I have the honor to state that the estimate for Rs. 20,245 for constructing a steam wheel Launch for the Rajahmundry Ferry, received with the Superintending Engineer's letter No. 1072 G. D. dated 5 September was referred on 10 October 1891 to the President of the Rajahmundry Taluk Board for his opinion as per District Board's resolution No. 8 dated 26 September 1891.

The Superintending Engineer proposed the surrender in his letter No. 1420 dated 14 November 1891, whereas the reply from the Taluk Board President was received on 24 November 1891.

The estimate could not have therefore been returned approved to the Superintending Engineer in time to avoid the surrender.
