Division No. 382 dated 15 June 1861,
to the Supt. Engineer, Ill. Circle. Bellary.

I have the honor to bring to your
notice that the services of a Temporary
Draftsman for a period of say 3 months
will be urgently required in this Office for
the speedy preparation of plans and estimates
required for Famine works necessitated by
the present distress in the district and that
the current work already in the hands of the
Draftsmen in the Office is so heavy that
they cannot satisfactorily cope with the
additional work thrown on them.

2. Under these circumstances I
request you will be so good as to obtain
early sanction for a Temporary Draftsman
unless one can be made available from
other Office.
