PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Endorsement of the Public Works Department, dated 14 October 1891, No. 4479, referring letter of the Consulting Architect to Government, dated 30 September 1891, No. 2525, soliciting orders for submitting details of plans and sections to the Municipality of all Government Buildings for approval before they ^{been} have been erected.

From the President Municipal Commission Madras, dated 28 October 1891, P.W. No. 967.

With reference to your endorsement No. 941, dated 24 October 1891, on letter No. 2525, dated 30 September 1891, from the Consulting Architect (herewith returned) I have the honor to state that the Bye-laws have only been carried out.

If it be the opinion of Government that it is unnecessary to apply this Bye-law to Government buildings constructed by Government officers

the bye law could be so amended and the plan mentioned in section 265 only be submitted.

Order 23^d February 1892, No 369 M. His

The Government does not consider it desirable that any special exemption from the requirements of the law or bye laws should be made in the case of Government buildings; but is of opinion that the first of the bye laws in this matter passed in G.O. dated 5 November 1886 No 1114 also imposes unreasonable and unnecessary demands upon persons erecting buildings and that the third bye law is altogether ultra vires. The Commissioners are therefore requested to take the amendment of the bye laws into their early consideration.

2. The Consulting Architect should in the mean- while comply with the requisition of the Commissioners.
