P. W. CURRENT No.

There is no fixed scale of Executive and Assistant Engineers sanctioned for this Province. In their letter No. 2444 of dated 6th September 1890 communicated with G.O. No. 2641 W, dated 10th October 1890, the Government of India have fixed the Engineer Cadre for Madras at 84, inclusive of 9 superior officers, thus leaving 75 Executive and Assistant Engineers which is the strength existing at present.

2. Under G.O. Code para 33, the distribution between the two classes of Executive and Assistant Engineers is made on the actual strength and not temporary sanctioned strength. It is therefore not possible to say whether there is a vacancy on the permanent Establishment for a permanent Assistant Engineer.

3. There however appears no objection to a Sub pro tempore appointment as an Assistant Engineer being made in place of one of the officers sent to foreign service, but from Code para 68, it will be observed that the approval of the Government of India to the appointment will be necessary.
