QUARTER MASTER GENERAL'S OFFICE,

Ootacamund,

20th November 1897.

No. 2546 M.W.

From

BRIGADIER-GENERAL E. H. EYRE,

QUARTER MASTER GENERAL,

To

THE SECRETARY TO GOVERNMENT,

MILITARY DEPARTMENT.

SIR,

I am desired to forward for sanction and transfer to the P.W. D. for disposal, the accompanying plans and estimate, the latter amounting to Rs. 1470 for providing additional armoury and office accommodation for the Malabar Volunteer Rifles at Calicut.

2. At present the armoury and office are located in the Sergeant Major's quarters but the Officer commanding the Corps reports, that owing to the very great increase in the Head Quarter Companies, from

100 to 180 during the past two years, the accommodation available for an armory is quite inadequate, and that moreover a still further increase of these Companies is shortly expected. The Office accommodation is also reported to be insufficient, owing to increased correspondence and accumulation of office records.

3. To provide for this accommodation therefore, it has been decided to utilize the compound on the Southern side of the Sergeant Major's quarters, for erecting two rooms, one for the armory and the other for an office, and the plans and estimate now submitted have been prepared accordingly.

4. The Commander in Chief is aware that under the provisions of the orders of the Government of India, embodied in G.O. No. 897 of 12th February 1891, Volunteer corps are required to meet from their capita-

for

for armories &c, but in view of the circumstances set forth in the accompanying Correspondence, His

Letter No. 563 of 13th Novr '91 from the Commandant Madras Volunteer Rifles & Endorset thereon, H. 814 B of 17th idem by G. O. Southern District.

Excellency desires to recommend that, ⁹
68/1
Government may

as a special case, be pleased to provide at the expense of the State, the additional accommodation, which is said to be very necessary, the corps being quite unequal to the task of meeting so large an expenditure in the present unsatisfactory state of its finances, and I am to take this opportunity of repeating the Commander in Chief's opinion as expressed in a previous communication, that if Government hopes to make the Volunteer Force in this Country more efficient than it is at present, it can only be done by treating Volunteers in a liberal manner.

5. Should Government be unable, in the face of the orders of the Government of India, to debit the cost of providing the necessary accommodation to Imperial funds, His Excellency recommends for the favorable consideration of Government, that the amount in question be treated as an advance to the Corps, recoveries to be effected only after the present debt to Government has been liquidated, and in such easy instalments as may not bear heavily on its funds.

I have the honor to be,

Sir,

Your obedt. servant,

Affectionately
Colonel,

With reference to your No. 4677 of 3^d November 1891 forwarding Quarter Master General's No. 2422 of 30 October '91, I have the honor to inform you that as the Corps under my Command is still in debt to Government, it is quite unable to meet the cost of the proposed enlargement of the armoury at Head Quarters. Neither are there any other funds available in the Corps to meet this expenditure.

2. The inadequacy of the present armoury at Calicut was noticed by
the

the Inspecting Officer at the recent
Inspection, and as there are 60 addi-
-tional stands of arms shortly arriving
for Head Quarters, I have the honor
to request that Government may be
pleased to sanction the proposed
enlargement at the Public Expense.

there seems to be a good spirit in this

With reference to your No 499815 dated 4th December 1891. Minute (3.) I have the honor to inform you that I am strongly opposed to any use of our Capitation money, being spent on building a Government building or to discount future grants by borrowing against them for any purpose at present.

It has been a struggle to keep the going and pay Government Annual Instalments on loans contracted years ago; At present some Rupees 400 are due to the Officer Commanding Meer Quarter Companies on Current Seasons Capitation Account, also the Cost for new Uniforms - and when all is paid, an instalment of old band, there will be very much left to carry on with.
