Harbour Trust Board Office,

MADRAS, 26th February 1892

No. 3667

From

Ware Austin Esquire C¹

CHAIRMAN, HARBOUR TRUST BOARD,

MADRAS.

To

The Honble J. F. Price C¹ 7/8/1

CHIEF SECRETARY TO GOVERNMENT,

Marine Department.

Sir I have just received an urgent letter from the Board Engineer saying that a mistake has been made in the diameter of the wheels intended for from home for pier trucks, which appears to have been stated at 3 feet 3 inches instead of 2 feet 3 inches.

2. I have asked the Engineer to submit an amended indent which I propose to forward direct to the Under Secretary to Government Public Works Department; and I would

request - should he find that
the supposed mistake has
occurred - that a telegram
may be at once despatched
to the Secretary of State: as
wheels one foot higher than
intended would be no use
upon the pier.

I have the honour to be
Sir
Your most obedient servant

Waukell
Chairman
Harbour Trust Board
