From the Superintending Engineer, IV Circle, dated 20th January 1892, No. 43 W.
" " " IV " " 22nd February " " 90 W.

ORDER—dated 5th March 1892, No. 726 W., Public Works.

In the correspondence recorded with G.O., No. 2936 W., dated 2nd November 1891, it was brought to notice that the following new works connected with the Mountstuart buildings, Ootacamund, had been sanctioned by the Superintending Engineer in contravention of G.O., No. 423 W., dated 8th February 1890 :—

	RS.
(1) New record-racks	1,030
(2) Iron bars to cashkeeper's room, Adjutant-General's office ...	100
(3) Improvements to Judge Advocate-General's office	990

and in letter, No. 2937 W., dated 2nd November 1891, the Government of India was requested to accept the cost of the works as a charge against Imperial funds or to allow an enhancement of rent calculated on the capital outlay involved.

2. In its reply, the Government of India requested that the estimates for the works named might be forwarded with a statement showing the amount of rent it was proposed to charge in addition to the sum of Rs. 3,600 per annum now paid.

G.O., No. 3350 W., dated 12th Dec. 1891.

3. From the papers now received from the Superintending Engineer, it appears that item No. (2) is a repair work, and that item No. (3) has no connection with the Mountstuart buildings, it being an estimate for improvements to the portion of the late European prison now occupied by the Deputy Judge Advocate-General. The cost of estimate No. (3) should accordingly be debited to Imperial Military funds in accordance with G.O., No. 2005 W., dated 24th July 1891.

4. The estimate of Rs. 1,030 will be forwarded to the Government of India with the statement submitted by the Superintending Engineer showing an additional rent charge of Rs. 6 per mensem.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
MILITARY DEPARTMENT.

SIR,

With reference to your letter, No. 3201 M.W., dated 3rd December 1891, I am directed to state that, of the three works mentioned in my No. 2937 W., dated 2nd November 1891, it now appears that item (2), iron-bars to cashkeeper's room, Adjutant-General's office, Rs. 100, is a repair work, and that item (3), improvements to Judge Advocate-General's office, Rs. 990, has no connection with the Mountstuart buildings, it being an estimate for improvements to the portion of the late European prison now occupied by the Deputy Judge Advocate-General. I am therefore directed to forward only the first estimate of Rs. 1,030 for providing new record-racks with a statement showing a rent charge of Rs. 6 per mensem, and to request that this amount may be sanctioned in addition to the rent of Rs. 300 per mensem now paid for the Mountstuart buildings at Ootacamund.

I have the honour to be,

Sir,

Your most obedient servant,

Colonel, R.E.,
Secretary to Govt., P.W.D.

With reference to your
endorsement No 1166 dated
15th December 1891, I have the
honor to forward the estimate
of Rs 1030 for providing new
record racks for Army Head
Quarters offices at Ootaca-
mund and to inform you
that the sum of Rs 100 amount
of estimate for fixing iron
bars to windows of the Cash-
keeper's room, Adjutant
General's office will be treated
as Provincial Repairs Civil
Buildings as the work in
question

question is not actually 'original work'.

2 The rent value of the additions will be Rs 72 per annum in addition to the sum of Rs 3600 per annum now paid. Statement giving data for calculation of rent is herewith submitted.

3 I may add that the rent Rs 300 per month now paid by the Military Department, is considerably under the amount, which should be paid under the rules and that when submitting the estimate for the additions recently called for, I propose revising the rent scale, taking into account the capital cost of the buildings plus the large sums which have since been expended on improvements and repairs.
