20TH FEBRUARY 1892, No. 164, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—again the following G.O., dated 16th December 1891, No. 1193, Revenue :—

Order—dated 16th December 1891, No. 1193, Revenue.

Miscellaneous.

G.O., dated 7th April 1869, No. 924.
" " 18th December 1880, No. 1731.
" " 27th March 1885, No. 383.
" " 25th February 1886, No. 153.
" " 25th November 1887, No. 1102.

The lists of persons recommended for the post of Deputy Collector, which are now submitted by the Board of Revenue with reference to the marginally-noted orders, generally contain the names of only such persons as are in the Revenue branch of the public service. But these are so few in number that the Govern-

ment at times experiences difficulty in finding proper substitutes for short temporary vacancies. It therefore directs that in future the names of all persons who have passed the tests prescribed for the post be included in the lists whether they are in the public service or not, and in whatever branch of the public service they may be. The Collector can of course express his opinion of the qualifications of those only who are personally known to him; in the case of those who are serving in other branches of the public service, the opinion of the head of the department may be given, and in the case of those who are not in Government employ, the name of any persons to whom a reference as to character may be made can be entered in column 7. The list should also show in future whether the individuals possess, or have any interest in, lands anywhere within the Presidency, and if so, in what districts thereof. Information on all these points can easily be obtained from persons not in the public service by the publication in the District Gazettes of a notification calling for it.

2. The Government also attaches much importance to the punctual submission of these lists. As the results of all the Special Test examinations are published before the end of February, the Collectors should send in their lists to the Board before the 1st April and allowing a month to the Board of Revenue for compilation, the general list ought to reach the Government office not later than the 1st May.

READ—also the following Proceedings of the Board of Revenue (Land Revenue), dated 8th February 1892, Mis. No. 871 :—

THE HON. MR. J. GROSE.

Read—the following letter from W. P. AUSTIN, Esq., Collector of Madras, to the Secretary to the Commissioners of Land Revenue, dated Madras, 29th January 1892, Ref. No. 81—G. & B. :—

Adverting to the Proceedings of the Board of Revenue, No. 11, of the 7th instant, I have the honour to request to be informed whether it is the intention of the Board that the Collector of each district should communicate direct with the heads of several offices in his district every year and obtain the information required for compiling the return called for, or whether the Government has already communicated its order to the several departments under its control with instructions to furnish the Collector with the necessary information by, say, the middle of March, in order to enable him to submit the required return before the 1st April, including the requisite information relating to persons under his own control and those not in Government employ but residing in his district which he will himself obtain. If the Government would communicate direct with the heads of several departments under its control, it would save a considerable amount of labour in the Collector's office. If this is not in contemplation I propose, on receipt of a reply, to send out a circular to all the Presidency offices on the subject.

2. I presume I am not to include in my list the names of persons employed in the Board and Government offices, as these can be dealt with by the Board and Government themselves.

Resolution—dated 8th February 1892, Mis. No. 871.

Submitted for the orders of Government.

2. The Board suggests that the necessary instructions should be issued to heads of departments by Government.

3. The Collector's question in paragraph 2 of his letter is answered in the negative.
