Executive Engineer

Most Honoured Sir

I respectfully beg to bring to your honour
notice, that I have been employed at this station for the last
10 years and had owing to family Consideration to change
military to civil branch of the medical line. but since my
employment here, I have had no charge allowance paid to me
although the Civil Code provides that all civil Hospital
Assistants under 7 years service and upwards will receive an
allowance of Rs 10 to 25 per mensem according to Circumstances.

I have explained these circumstances
personally to your honour that nearly all the Hospital Assis-
tants who are independent charge of the Dispensaries are
paid charge allowance of Rs 10 per month whereas the privilege
is denied to me, moreover I have been employed in a place
where provisions cannot be had for loan or money unless
I obtain them either from Begwada or Gunter towns in these
famine days.

In Conclusion I beg your honour will be
pleased to bring the matter with your strong recommendation
to the favourable Consideration and sanction of the Superinten-
dent Engineer II circle for which act of kindness I shall be
bound ever pray.

I beg to remain
Most Honoured Sir
Your most obedient Servant

From A. A. G. Malet Esq, Executive Engineer, Mysore Western Division to the Supt Engineer, 2nd Circle, dated 6th January 1892, No 561 S.

W/

I have the honor to forward herewith, an application received from 1st class Hospital Assistant, St. John's Hospital in charge Duggirala Hospital requesting me to recommend to you to sanction charge allowance of Rs 10 allowed by Government to the Hospital Assistants of this class & service and to state that a notification to this effect was published in the Fort St. George Gazette dated 15th July 1890 Page 997 and also notification printed in the Lawrence Adyar Press Almanac page 955 under the heading "Civil medical subordinate Establishment."

As this Hospital Assistant has been holding the present grade for the period of about 10 years & has possessed a good deal of experience being in independent medical charge at this place, I would recommend the concession being granted to him.

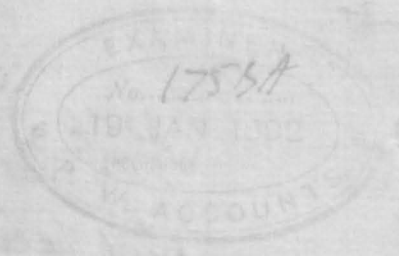

No 2443 Kd dated 11/1/92

Forwarded to the Chief Engineer, P. H. S. with a request that sanction of Government to the charge allowance of Rs 10 may be obtained.

From the Executive Engineer
Kistna Western Division, to the Supy.
Engineer, 2nd Circle, No 6975 of 23.2.92

In reply to your endorsement
No 2662 K of 13.2.92, I have the
honor to inform you that the Hospital
Assistant is in charge of the Hospital
and Dispensary, which has been
maintained by this Department at
Duggirala for the last 12 years.

His duties are to Compound &
distribute medicines to the Officers,
Subordinaries & coolies employed
on the project works and when
sickness appears amongst any
large body of coolies employed on a
work at some distance from Duggirala
he has to proceed to the spot, and
attend to the sanitary arrangements
and the patients.

Though not bound to do so, he also
attends to the poor people not connected
with the works in the neighbourhood of
Duggirala, who would otherwise have
to go to the L. H. Dispensaries or Hospitals
at Tanali & Guntur. During Cholera
& similar epidemics he has a fair
amount of work to do in this way.

He has, I consider, similar
responsibility to other medical
subordinates in charge of
dispensaries situated at a
distance from superior medical
supervision.
