I think I mis-
understood your question
about H.E. being met,
and my reply on this
point may thus not
be quite intelligible.
I understood that you
wished to know whether
any official notifica-
tion had been issued
for the arrangements
on the occasion of H.E.'s
departure, and I said
that no arrangements
had been made. But
it would seem that the
question refers to meeting
H.E. on town. This is
a matter usually settled
by the Private Secretary,
and does not form the
subject of official orders.
