PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board

of Revenue Revenue settlement dated 29 Feb'y 1892 No 2076 and on
Endorsement of the Revenue Department dated 26 Feb'y 1892 No 1144.

Resolution.

The Commissioner is very imperfectly informed as to the
Condition of Mysore, but so far as he is aware, there has not been any
very widespread loss of crop in that Province and prices have been
steady there for some time past. He would suggest a reference to
the Resident for full particulars of the situation in the Province, but
as at present advised, he sees no reason to anticipate any special
large influx of laborers to the Wynad in search of work.

2. The Collector of Malabar will be requested to report as
to the advisability of opening the Chaidale-Mysore frontier
road in the event of its being found necessary, to give
employment to distressed laborers.

Order thereon: 7 March 1892 No: 1292

Recorded.

2. The report called for in para 2 is awaited

3. Ordered that the Resident in Mysore be addressed in
the Political Department.
