Sir

The term "division" is not usually applied to a Collector's charge. A collector's charge is a district, & a sub-Collector's charge is a sub division.

Mr Clayton proposes to entrust an engineer officer with the control of the P.W. division to take charge of all relief works in the Madras & Sidout Taluks, which are the two Taluks reported on in the Proceedings.

Mr Ford visited the division before the draft of the Rev. Bdr's Proc. & an additional officer appears to be required.

Proposed to omit the words between pencil brackets in the draft order.
