15th February 1892-

Sir,

With reference to your N^o 562 G. L.
dated 25th January 1892 communicating
Chief Engineer's Circular N^o 311 C. dated 19th
January 1892, I have the honor to forward
herewith a statement showing the works
under Provincial Civil Buildings which
have not actually been commenced but
arrangements made for the collection of
materials which has been stopped on receipt
of the above restrictive orders.

2. No transfers of materials already
collected for the works mentioned in the
statement are possible on ^{such} a large scale but
may be done gradually within another year
if money is given for works under Extensions
and Improvements and if disposed of would
entail a loss to Government of about 50 percent.
The lime manufactured for the first two works
is sure to spoil or can only be sold at a
loss unless its sale to the Railway Department
as applied for in my telegram of the 12th Instant
is sanctioned.
