PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Letter from the S.E. III (C) (G.O. No. 3584 of 6. iii. 92)

Communicated to the
Revenue Department with
reference to para 2 of the
order in that Department
No. 115 dated 2nd Feb. 1892.
2. The disposal of the
estimates for the works
lettered (a) & (b) will be
expedited. As regards
(c) it is observed that
Mr. Jones' proposal to
construct a deep
drainage channel to the
east of Cuddalore for
the improvement of the
sanitation of the town
has not yet, so far as
the P.W. Dept. is aware,
been approved in the
Local and Municipal
Department to which it
was transferred by
Revenue G.O. No. 869 -
dated 12th September 91;
but, as pointed out by
the

Am

the Board of Revenue
in its Proceedings No.
1955 M dated 24th Feb
1892, there is nothing to
prevent the Collector
calling on the Executive
Engineers to prepare an
estimate for the execution
of the channel as a
famine relief work, —
should he think it
necessary, and there is
no other suitable work
available. —
