OFFICE OF THE SUPERINTENDING ENGINEER,

No. 263C &

Perair 2nd March 1892.

From

W. B. de Winton Esq.
Superintending Engineer,
R. I. Periyar Project. Dⁿ,

Periar.

To

The Chief Engineer,
P.W. Department,
Madras.

Sir,

ENCLOSURES—4

I have the honor to inform you that I have this day forwarded to the Examiner for report as to its admissibility, with a request that he will forward the same to you direct, an application for one month's Privilege Leave from 15th March on my own behalf, and to request that you will be good enough to recommend it for sanction.

2. I have had only $2\frac{3}{4}$ months privilege leave in the last $7\frac{1}{2}$ years, and no leave of any ^{other} kind. I am far from well, and could easily obtain a medical certificate for leave of

of long duration and I am sure
I shall benefit greatly by a month
of complete rest, and be more fit
for work afterwards. -

3. I would not ask for the leave
if there was any serious need for
my presence here, but now that the
foundations on the right flank
are in, all will be plain sailing
for the remainder of this season,
and Mr. Mackenzie is fully com-
petent to conduct the work alone.
I propose going to Koduikanal
if my leave is sanctioned, so
would always be at hand if
required. -

I have the honor to be,

Sir,

Your most obedt. Servt.,

H. B. de Vries

Superintendent of Works,

Rt. I Peryar Division.

Read the following:—

Letter from N. B. de Winton Esq^r, Supdt of Works N^o I Periyar Project Division, N^o 263 C.E. dated 2nd March 92.
From the Examiner P.W. Accounts N^o 342 S.A. of 7. III. 93 asking application from Mr de Winton for one month's privilege leave from 15th March.

FOR ORDERS.

8/8/92

I also.

W.S.

I must confess to a feeling of surprise at this application having been admitted.

2. Apart from the general stoppage of leave throughout the Dept, it has been an understood thing since the opening of the Periyar works that no leave is given to any one employed on them during the working season.

3. The officers of this Division have the great boon of from nine to ten weeks every

year at a Hill station
without breaking
into their leave, and
it is altogether un-
reasonable to ask
as Mr de Winton
does that this recess
should be extended
by a month.

The Govt. must
decline to sanction
the leave applied for.

2. It is of importance
that the Superintendent
of Works should be
present on the project
throughout the working
season and it is
unreasonable to expect
that the recess at a Hill
station should be
extended by a month.
