NOTES.

REFERENCE TO MADRAS P. W. D. CODE,
EDITION OF 1886.

PARAS. 25 & 26.

1. The column headed "present scale" should invariably show the sanctioned scale for the time being and not the strength of the actual (whether above or below sanctioned) establishment as it happens to stand at the time. The "present scale" should be verified by the examiner before the proposal is submitted to government for sanction (paras. 25 and 26).

2. In the column "average or fixed pay," financial value, not mean value, should be given.

3. The financial value should in the case of progressive appointments be calculated as follows:—

(1) If the period of rise from minimum to maximum is 5 years, the average will be the minimum plus two-thirds, or if the appointment is a ministerial one, plus three-fourths, of the difference between the minimum and maximum (C. S. R., Art. 164).

(2) If the period of growth exceeds five years (as in the case of accountants) the $\frac{1}{5}$ th fraction should be decreased by $\frac{1}{10}$ th of the difference for every year by which the period exceeds five; the fraction for periods in excess of five years will therefore be as follows:—

$$6 \text{ years} = \frac{3}{4} - \frac{1}{10} = \frac{11}{10}$$

$$7 \text{ years} = \frac{3}{4} - \frac{2}{10} = \frac{1}{2}$$

$$8 \text{ years} = \frac{3}{4} - \frac{3}{10} = \frac{1}{4}$$

and so on; so that when the period of growth is 20 years the financial value will be the exact mean.

No. M 184.

PUBLIC WORKS DEPARTMENT, MADRAS.

Tabular Statement showing the proposed Changes in the Establishment of the P. W. Department, Madras Presidency.

The entries within under the head, "Present scale" have been checked and found correct [subject to exceptions noted below*].

Examiner of P. W. Accounts, Madras.

* The words in brackets should be scored out when there are no exceptions to be noted.

From H. H. O'Connell Esq. Executive Engineer, Works Division, to the Asst. Engineer, 2nd Circle, dated 23 February/92 No 354.

82/2

I have the honor to bring to your notice that a heap of old records containing work abstracts dating from 1881, village maps of the Seemab taluqs in the District, and other papers consisting of correspondence &c has been lying in the office for some time past.

2. There are also similar records lying in the verandah adjoining the Workshop Superintendent's room, and I learn that the old records in the record room also require resorting.

3. It is necessary that these records should be sorted to admit of steps being taken for their destruction or preservation as required by Code para 859, but this cannot be done unless special Establishment is employed for the purpose—

4. I may mention here that the records of different other divisions

in the district, which were amalgamated
with this Division from time to time
appear to be mixed up with the
records of this Division & no
proper sorting appears to have
ever been made & steps taken to
destroy the old useless records.

5. Under these circumstances, I
request that sanction may be accorded
for the entertainment of two temporary
clerks on a salary of Rs 15 each
per mensem for a period of 6
months, to enable the sorting being
undertaken at an early date.

I don't think the quantity of
work to be done is stated with
sufficient definiteness to
justify the application. It
should be shown how there
is work for 2 men for
