(1st Edition), the Right Honorable the Governor in Council is pleased to grant to

in consideration of

his qualifying Inferior service of fifteen years, seven
months, and twenty days.2. The medical certificate bearing a date subsequent to that of the applicant's
retirement is accepted under Article 991 (c) of the Civil Service Regulations; but
the attention of the Superintending Engineer 5th Circle will be drawn
to the fact that inferior servants not being entitled to the Superannuation
class of pensions cannot be retired except on production of medical
certificate of incapacity or on their attaining the age of 60 years.3. The Government is not satisfied with the explanation of delay in this
case. As has been ruled in G.O. No. 1502 dated 13th December 1886 and
several subsequent orders, the Services of Government servants should
be verified while they are in active service and not after they are trans-
ferred to the pension list.
