From A. H. Garrett Esq. Executive
Engineer Madras D^y to the Supt^r
Engineer Madras No 5/30 dated 5th
March 1892.

I have the honor to propose
the following surrenders: -

Veerapandy Bridge Rs 2000.
Uttamapoliem Bridge Rs 4000.

2. In the case of the Veerapandy
Bridge, work was delayed by a
fresh in the river which filled
up the excavation for one of the
piers - moreover rocks has not
been found at the expected level.

3. Work at the Uttamapoliem
Bridge has been interrupted by
freshes but my principal reason
for making a surrender is that
the Contractor has again fallen
out with his attorney and it is
quite possible that work may
come to a standstill at any
moment owing to the Contractor
having no money.

4. Mr. Macalister considers

that there is every prospect of the
allotment being spent on both
Bridges but judging by the rate
of expenditure up to date, I am
bound to take a different view,
especially as the Bamboon Valley
is now becoming feverish and
the Sub-Division officer is
himself laid up.

No 1297 M.O. of 8. 3. 92 57.8.

Copy forwarded to the
Chief Engineer P.W.D.

2. The proposed surrenders
are recommended as money
is urgently required for famine
works elsewhere.

3. Moreover this surrender
will not necessitate any res-
triction on expenditure as any
extra work carried out can be
paid for on 1st April next.
