With reference to your letter Financial No: 121 of 9th February 1892, I have the honor to state that in March 1890 my Staff Officer was requested by the Executive Engineer, Bellary Division, to send all communications connected with his Department to the Assistant Engineer, Military Works; and a copy of station orders was accordingly sent daily.

on account of copies of Station Orders for Super-
intending Engineer and Assistant Engineer,
Military Works. These have been duly supplied.
The Superintending Engineer has notified that
he does not require a copy for the current year,
accordingly the Bill was forwarded this year only
for the Assistant Engineer, Military Works.

I would request the favor of early inti-
-mation as to whether the bill submitted has
been passed; as otherwise the printed copy of orders
hitherto supplied to Assistant Engineer, Military
Works, must be at once discontinued.

Order of 23^d February 1892, R. No. 160.

The bill dated 9th January 1892, for
Rs. (18) eighteen from the Officer Commanding
Bellary is passed for early payment.

2. It will be considered in the Public
Works Department whether the supply should under
the circumstances be continued after the current year.
