I am doubtful if they
are really required
especially now that the
labour is increasing.
My opinion is that in fact in
his functions are not required
but up to the Government to
decide that this may be.

ENCLOSURE

1. Estimate
(in duplicate)

I have the honor to forward
herewith for the sanction of
Government under Code Para
824 an estimate in duplicate
amounting to Rs 130 for providing
warm clothing for lascars and
messengers employed in the
Bumbum valley and those
who frequent the same on duty
in the Madura Dn.

2. The estimate provides for
Cumbies Coats and trousers
and Dripkalam sub DC.
for Divisional lascars as well
as those stationed in the Bum-
bum valley. There are many
works now in progress in the
Bumbum valley and it is
necessary that the Divisional
Lascars.

should be provided with
suitable clothing as they will
frequently be employed in the
valley. The Perakolamu and
Bumulu overseers' lasears
were provided with coats in
December 1891, hence trousers
and umbrellas only are al-
lowed for them.

FOR ORDERS.

Sanction was given
in G.O. No 2749 W dated
17th October 1891 to an
estimate of Rs 12 for
warm clothing for the
two lascars under the
Overseers at Periakulam
and Cumbum, who live
permanently in the
Cumbum valley.

2. The present proposal
to provide similar
clothing for all the
Divisional and
Sub divisional lascars,
who have only to pay
occasional visits there
appears inadmissible,

rel
amur

especially as the climate
is anything but cold
except for a couple of
months in the year.

W
10.3

10.3-92 R 12/3.

No. 847 W d/12 March 1892
PUBLIC WORKS DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Letter from the S.E. VII Circle (H.E. No. 1283 M.D. d/7.3.92)

It is observed that
the sanction accorded
in G.O. No. 2749 W dated
14th October 1891, was for
warm clothing for the
two lascars under the
overseers at Peria-
kulam and Cumbum,
who live permanently
in the Cumbum valley.
It does not warrant
the same concession
to Divisional and
Sub-divisional lascars
who have only to pay
occasional visits there,
especially as the climate
is anything but
cold except for a
couple of months in
the year. The estimate

submitted by the
Supt. Engineer is
accordingly returned
unsanctioned.
