From

With reference to the attached I
beg

beg to report that the European Head Constable's quarters at Nanantoddy was only occupied by me for about 10 days in September 1888 during the month of October and November 1888 the quarters were not occupied by me, because I was not at Nanantoddy as I was called into Head quarter, Calicut, by the Malabar District Superintendent of Police. I cannot say at this length of time whether the half month's rent for September 1888 was stopped from my pay or not, so I have no objection to this being done, but against the stoppage of rent for October and November 1888 I beg respectfully to protest and solicit justice be done me, while at Calicut I had to engage a house and pay rent.

OFFICE NOTE No. 363 *SA*

To

W.

Please see accompanying memo from the Executive Engineer West Coast Division No. 2II dated 23rd. January 1892 regarding a sum of Rs. 2-15-II due from Police Head Constable Mr. Meyers (now an Inspector) since November 1888 on account of rent of building, in which the Executive Engineer proposes to withdraw the charge under the circumstances explained in Mr. Meyers' letter copied with Executive Engineer's memo.

2. I do not know what the circumstances were under which Mr. Meyers was "called into head quarters, Calicut", from Manantoddy, but I do not consider that the mere fact of absence from the station where his head quarters were, is a legitimate ground for remission of rent. He probably expected to find them available for re-occupation on his return to Manantoddy.

3. The question is one of 3½ years date, and Government may be disposed to authorize the claim being waived.
