I have the honor to forward herewith
an application from Delta Superintendent
A. Lakshminarayana for permission
to acquire 20 acres of land for wet
cultivation in the Gudwada Taluk.

2. I do not think there would
be any objection to granting the
application, but I do not know
whether there is any rule prohibiting
it.

Dear Sir

I most respectfully beg to bring to
your honors kind notice that I heard
that some waste lands near Buntine
in Gudivara Division Gudivara
Taluk are available for wet
cultivation and several people are
applying for them - I beg to represent
that I also desire of applying for
40 acres of waste land in case if
there is no objection under the
G. O. No 1889 W of 14th 7/90 - As these lands

being situated in a separate division
and in a separate Taluk altogether
and as the land I intend to apply
is of small area, I believe
there will be no objection under
the rules now in force.

Trusting that your honor will kindly
approve of my humble prayer

I beg to remain

Sir,

I have the honor to forward
herewith a copy of District Eastern
Division Officer's letter No. 5692 of the
16th February 1892 together with an
application from, Delta Superintendent,
A Lakshminarayana Pantulu, for
acquiring 40 acres of land in a portion
of the Delta, not under his charge,
for favor of your sanction with reference
to the instructions contained in note
to rule 1(c) of Part I of the rules
relating to the holding of landed
property by uncovenanted officers
in Civil employ promulgated with
G.O. No. 426 & 427 of the Public
Dept.

Department dated 12 June 1890,
Communicated with G.O. No 1889W
of the 14th July 1890.

2. The note referred to runs
as follows-

"All officers of the P.W.D are
prohibited from acquiring or
holding land within the limits
of their Charge &c."

I am of opinion that the
word officers is not intended

(1) to refer to clerks in the General
Officers, who have no separate
charge.

(2) or to Deputy Subordinate Masters,

Delta & Lock Superintendents,
when they wish to acquire lands
in villages beyond their charge.

3. I request also to be informed
if the sanction of Government is
to be obtained in cases like the one
under reference, or whether I
can sanction the purchases by
persons other than officers, referred
to in para 2 above on the understanding

that such purchases are to be
included in the yearly statements
furnished by such individuals.

Sir,
87/4
I beg very respectfully to request
that you will be kindly pleased to
obtain the sanction of the Chief
Engineer to fix, with retrospective
effect, the rent of my house, which
I am occupying from August last, at
the rates laid down in para 1042 of
the P.W.D. Code for overseers, as a
similar concession has been granted
in G.O. No. 746 W of 14 March 91 to the
Civil Apothecary attached to this Project.

2. I beg to submit that I am
at present paying an enormous rent
of Rs 11/- per mensem, which I can
ill-afford to spare out of my present
salary, - as the conditions of life at
Periyar are quite as unfavourable as
regards cost of living & locomotion,
and risk to health.

3.

I beg to append for your information, a statement showing the salaries drawn, and the rents paid by the Civil apothecary, accountant and myself:-

No.	Designation	Consolidated salary	Rents paid
1	Accountant	270	9
2	Civil apothecary	150	6
3	Head clerk	125	11

4.

I therefore beg to leave myself at your kindly hands, being assured that no recommendation which you may be pleased to make in justice to myself will be disregarded by the Chief Engineer and the Government.

I beg to remain,

Sir,

ENCLOSURES - 1

I have the honor to forward herewith a petition from the Head Clerk (late Manager) of this office, praying that the concession given to the Civil Apothecary stationed here in G.P. N^o. 746 W. dated 14th March 1891, of paying house rent in accordance with the scale for Overseers (Para 1042 Madras P.W. Code) and not in accordance with the cost of the building, may be extended to him.

2. I consider his petition a very reasonable one, as the rent he pays now

now compared with that paid
by the Civil Apothecary, and the
Accountant and Manager is out
of all proportion to his pay
and theirs, and I strongly
recommend that it be granted.

I have the honor to be,
Sir,

No. 347 Ad 7-3-92

To W.

The rents recovered at present
from the Accountant and Head Clerk
are Rs. 9 and 11 respectively against
Rs. 15 and Rs. 12-8-0 recoverable.

2. Government ordered (vide G.O. No
748 W. of 14th. March 1891) that the
accountant should pay rent in accord-
ance with the ordinary rules, but the
orders were not carried out and the
Superintendent of Works is not able
to say on what data the reduced rents
were based.

3. If it be considered that ^{65/4} it
would be a hardship to the men to give
the orders retrospective effect, it is
for Government to decide that the
higher rates of rent should have ef-
fect only, say from 1st. March 1892.

4. Unless Government is prepared
to refer to the Government of India,
there is apparently no help for it
but to charge the head clerk rent
from 1st. March 1892 in accordance
with the rules.

Letter from the Superintendent of Works, No. I
Periyar Division No. 223 C. E. of 23. 1. 92
Office note from the Examiner P. W. Accounts,
No. 347 S. A. dated 7th March 92

FOR ORDERS.

57/4

The Government of India has already refused to allow the accountant to pay rent at the fixed rates laid down in the P. W. Code for Overseers, and has decided that he should be charged rent based upon the value of the building occupied by him, in accordance with ordinary rates.
2. There is no reason to suppose that the

ernment of India
could sanction a
different course in
the case of the Head
clerk, and no ground
for making any
reference on the
subject; the less so,
that the clerk appears
to be occupying for
his own convenience
one of the permanent
quarters originally
intended for upper
subordinates.

3. If he chooses to
occupy quarters
similar to those of
the other clerks, he
will pay no rent
at all.

4. The increased
rent might it is thought
be recovered from
the 1st March 1892

as suggested by the
Examiner.
