From W. Jopp Esq. Executive Engineer,
Kistna Eastern Division, to the Supt.
Engineer, 2nd Circle, dated 8th February/92
No 5526

85/1
At the perusal of P.W. Accounts
in his miscellaneous Objections to
Letter on the accounts of this office for
November 1891, informs me that the
Accountant-General, Madras has
intimated in his letter No 132 dated
12.1.92 that work done on account of
Canal & Ferry fund should be accounted
for under Incorporated Local funds
under act II of 1884 and not under
Other Incorporated Local Funds,
as in the case now with the Constructing
Bridge on Pyra Canal, and has
consequently requested me, to
write back the expenditure already
incurred on that work in my next
accounts, I have the honor to request
you to be good enough to obtain the
necessary sanction of Government
to the estimate of the above mentioned
work being classed under Incorporated
Local Funds under act II of 1884,
and also obtain funds to meet the
expenditure in the past & current
financial years.

2. The expenditure on the work
in the last year was Rs 1988 &
a probable outlay of Rs 10000 is
anticipated during the current
year, viz any third modifica-
tion statement, in which out of
Rs 15000 provided for the work
under Other Incorporated Local,
Rs 5000 have been surrendered
so that on whole, the total grant
required under Incorporated
Local is Rs 11988 owing to the
write back of the outlay on the work
in the current year.

No. 2741 K. dated 19th January 1882.

Forwarded to the Chief
Engineer, Public Works Dept.,
with a request that an allotment
of Rs 11,938 may be obtained from
Incorporated Local Funds
under Act V of 1884, & the said
allotment of Rs 10000 already
granted under the Canal & Ferry
Funds, surrendered to the Financial
Department.

Yours sincerely
