18TH MARCH 1892, No. 900 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper :—

From J. W. MARTIN, Esq., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Cumbum, 10th March 1892, No. 3619.

I have the honour to request that you will be good enough to obtain the sanction of Government to the transfer of the tools shed at Kúdligi in the Bellary district for conversion into a travellers' bungalow.

2. The transfer of the building free of charge and on certain conditions was sanctioned in G.O., No. 2346 W., dated 2nd August 1888, but the Taluk Board, to whom the Government Order was communicated, then resolved that they were not prepared to take over the building subject to the conditions laid down by Government. It was, therefore, subsequently sanctioned (in G.O., No. 3239 W., dated 12th October 1888) to be sold by public auction, which was deferred pending the completion of the new taluk cutcherry at Kúdligi (*vide* G.O., No. 340 W., dated 6th February 1889).

3. The Taluk Board is now prepared to maintain it as a travellers' bungalow, provided the Government is willing to hand over the building *gratis*. The President states that a bungalow is much needed at Kúdligi.

ORDER—dated 18th March 1892, No. 900 W., Public Works.

The building will be transferred, free of charge, to the Taluk Board for conversion into a travellers' bungalow.

Under the ruling of
the Govt of India recently
received buildings
cannot in future be
transferred on repairing
leases. The effect
will be that all these
bungalows will have to
be retained in the
custody of the P.W. Dept.
for repairs etc. &c.

A great many
travellers' bungalows
were handed over to
Local Fund Boards in
1879 & 1880 on reduction
of the P.W. Estab.

Under Govt orders a
list of all buildings
thus transferred is
being prepared, so far
as cautions can be
traced.
