2. I make this inquiry as the Executive Engineer, Bangalore Division, Military Works, has forwarded copy of a communication from the Director-General of Military Works addressed to him, wherein it is stated that "the station of Mysore is not under the charge of this department and the necessary funds should be obtained from the local Public Works Department." 3. I am, however, not aware of any orders of Government transferring the buildings in question to any other division of the Public Works Department and shall therefore be obliged by your favoring me with the information now asked for.

4. I may add, for your information, that in the years 1887 and 1888 certain improvements to the post office buildings at Hunsur and Mysore were carried out by the Superintending Engineer, V Circle.
