To
The Secretary to the Government of Madras
Public Works Department

Calcutta, the 22nd February 1892

Sir,

The Accountant General, Public
Works Department, having brought to the
notice of the Government of India that
the School house at Angole, a Government
Building, has been lent to the High School
Committee, Angole, for educational purpose
rent-free, on the condition that the building
is maintained in good order and repaired
by the Committee, I am directed to point
out that the condition above referred to
is opposed to the rule in paragraph
27 of Chapter V. Volume I of the Public Works
Department

Para 1040
the main
code.

desired to treat the case specially, the sanction
of the Government of India should be applied

Note for Hon. Mem.

931 2/2

I have never
now had a view
that para 1040 of 2
made as P. W. Code
which corresponds
para 27 Chapter XI
Volume I of the Indian
Code was intended
to apply to an entirely
different class of
cases to the one under
reference; but the
Govt. of India's letter
shows that the latter
do not take this view
and it therefore
seemed as well to
make the reference
in the terms of the
draft.

2. I understand
that the Hon. Member
has passed the draft.
