PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board

of Revenue (Rev. S. L. P. & S.) d/ 16. March 1892. No 2663. And the following letter from the Collector of Cuddapah, dated 10. March 1892 No ⁴³⁰ _{Eng.} :-

The present Minor Irrigation Overseer of Ryachote taluk gets a salary of Rs 30. The Sub Collector says that an additional Overseer on Rs 25 for this taluk is very necessary. Even now it is very difficult for one man to attend to all the Minor Irrigation works in the taluk with the growing distress and the necessity for many works to be opened, the Entertainment of an additional Overseer becomes imperatively necessary, unless it is decided that all these works are to be classed as professional works under the D. P. W. Chapter IV of the Finance Code.

Resolution.

Under the instructions given in G. O. d/ 15. February 1892 No 152, the Execution of Minor Irrigation repairs is to be carried out in the affected districts by the P. W. D., and in para 4 of that Order it is stated that the Subordinate Staff required will be provided by that Department.

2. The attention of the Chief Engineer will be drawn to the urgent necessity for strengthening Mr. Ford's hands in order that he may properly control and supervise the Minor Irrigation repairs of the Cuddapah Sub division, and the Collector will be directed to request Mr. Ford to apply

apply at once for the establishment he requires to
carry on the works on the system laid down in the G.O.
above quoted.
