No 471.

Civil Agency Gubbi Office.
Camp. Maharinghi.
11th January 1892.

From The officer incharge
Civil Agency Gubbi

To. The Executive Engineer
Gargam Division.

Sir, I have the honor to forward herewith a petition from Vidi A. Subbaramaiah of Gubbi praying that he may be exempted from the Examination necessary to enable him to receive promotion to the grade above that in which he will forward it with if possible a strong recommendation to the Superintending Engineer. You are aware of the great difficulty which there is in getting persons here to work in the Malials and also that the petitioner has been doing Sub-Divisional work for several months. He has during that time given me satisfaction and is more useful than any inexperienced passed candidate would possibly be until he had had some months experience,

and

and as far as his knowledge of
D.S.W. works goes he is quite as fit for
the higher grade as he could be if he
had passed the examination. As com-
pared with clerks of the Civil Departments
his pay is very low and considering the
nature of his work and the difficulty
of getting a passed man, I think his
case may fairly be considered now these
exemptions would be just and which
would cause no injustice to men of
his own grade.

I have the honor to be,
Sir,
Your most obedient Servant.
sd/ J. H. Wilson
Assistant Engineer
in charge Coast Agency Exhibn.

No. 3539
16/29 1/92.

Forwarded in original to Mr.
Superintending Engineer for very
favorable consideration. I quite
agree with all Mr. Wilsons remarks.
It is very difficult if not impossible
to get passed men to work in the
Malicks (unless they happen to be on
the permanent establishment) and

8

I think Nob a clerk who has
served in them for the past year and
moreover carried out his duties satisfactorily,
should receive some reward.
