G.O., dated 11th February 1892, Mis. No. 848, Revenue.

Resolution—dated 20th February 1892, Mis. No. 669.

Communicated to the Deputy Commissioner, Southern Division, in continuation of the correspondence ending with Board's Proceedings, No 4026, dated 12th December 1891.

2. It will be observed that the Government of India has disallowed the provision of Rs. 8,900 made in the Public Works budget for the construction of a masonry dam across the Valavanar river in the Vedarniem circle. As no reason has been assigned for this, the orders of Government will be solicited as to whether the project may be considered to be finally abandoned or whether provision should again be made for the work in the budget for 1893–94. In the meantime, the customary temporary bunds should be erected and breached at the proper times as heretofore.
