28th Oct. 1892 No. 4731 on Board's Proceedings No. 6322 No. dated 6th October 1892 requesting sanction for the construction of an office and residence for the Head Assistant Collector at Rannad, Madura Dt.

Order.

Before passing orders on the proposals contained in the Proceedings read above, the Government desires to know whether there is any other place in the division at which accommodation could be found for the Head Asst. Collector's office and residence. A report on this point should be submitted at an early date.

Read also Progs of the Board of Revenue No. 8278 of 16th Dec. 1892 reporting that no such accommodation is available and expressing the opinion that, in any case, it is undesirable to remove that officer from Rannad.

Order thereon, 29th December 1892 No. 5696. This

The Board's recommendation that an office as well as a residence should be constructed for the Head Asst. Collector at Rannad is approved and transferred to the Public Works Department.

2. As the Zemindar of Rannad has expressed his intention not to renew the current lease on its expiry in April next, the erection of the new buildings should be pushed on as rapidly as possible. The Collector should however try and secure the continuance of existing arrangements until the new buildings are completed.
