To

THE Chief Secretary to Government

Public Department,

SIR,

With reference to Public Department
no: 837 of 13th August 1891 communicating
G.O. no: 2024 W. Public Works dated the 28th
July 1891, I have the honor to state that
the Surgeon 1st District recently repre-
sented to me that the Apothecaries
quarters sanctioned in the ^{above} G.O. required
some additions. I visited the place
with a view to ascertain what is actually
required to make them habitable
and find that the following addi-
tions are absolutely necessary:-

- (1) Extending the present back verandah
and providing extra windows. as the
quarters are very hot and have
very little ventilation.
- (2) Constructing a boundary wall;
the bazaar is very near and there is
no protection to the house and compound

What is

shaken and no privacy

(3) Constructing a detached latrine and
servants go down.

As the Estimate for the above
works exceeds Rs 500, I request that
the Consulting Architect may be
authorized to prepare the necessary
Plan and Estimate for the works.

I have the honor to be,
Sir,

your most obedt. Servant.
