Resolution.—The revised and budget estimates of revenue and expenditure for 1892–93 and 1893–94, respectively, are accepted by the Government of India for the amounts shown in the accompanying statement.

2. The alterations in the revised estimate advised by the Government of Bombay in telegram No. 67 T., dated 9th March 1893, were communicated too late to be carried out. The estimates, as now passed, are based on the figures reported in letters Nos. 286 A. and 287 A., dated 3rd February 1893.

3. On a consideration of the progress of expenditure, the Government of India have reduced the amounts proposed as the revised estimates of expenditure on Provincial Civil Works in charge of departmental officers in Bengal, the North-Western Provinces and Oudh, Punjab and Bombay by Rs. 50,000 in each case.

The revised estimates of expenditure on Incorporated Local Civil Works in charge of departmental officers in Lower Burma, Assam, North-Western Provinces and Oudh and Bombay have been reduced by Rs. 50,000 each for similar reasons.

4. The Government of India have reduced the ensuing year's budget estimate of expenditure by departmental officers on Provincial Civil Works in Assam from Rs. 19,52,000 to Rs. 16,93,000, and that for Provincial Civil Works in charge of civil officers in Madras from Rs. 5,88,000 to Rs. 5,01,000.

5. The Government of India observe that no provision appears to have been made in the budget estimate of Provincial Civil Works in Lower Burma for the establishment of the Rangoon Military Works Division which has been retransferred to the control of the Chief Commissioner.

6. Appendix D of the budget estimate is not required in future and may be omitted from the final issues.

7. The final issues of the Provincial and Incorporated Local Public Works budget estimates should be prepared for the amounts accepted, and despatched* so as to reach the Government of India not later than the 1st May 1893.

* 10 copies to Simla and 25 to Calcutta.

Order.—Ordered, that the foregoing be communicated to the Local Governments and Administrations noted in the margin for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Agent to the Governor-General, Rajputana.

Ordered also, that copies be forwarded to the Finance Department and to the Accountant-General, Public Works Department, for information.

ORDER—dated 12th April 1893, No. 1011 W., Public Works.

The revised and budget estimates of revenue and expenditure under Incorporated Local Funds for 1892–93 and 1893–94, respectively, as shown in the statement annexed to the Resolution of the Government of India recorded above, have been adopted in the final issue of the budget.

2. The revised estimate of charges for 1892–93, adopted in the preliminary budget, amounted to Rs. 1,24,826, but the total of the sanctioned grants work up to Rs. 1,91,274. The Government of India having passed the estimate for Rs. 1,78,000, the excess, Rs. 13,274, will be treated as a surrender to the Financial Department from the grant of Rs. 32,232 sanctioned * for famine relief works in the Kurnool Division.

* G.O., No. 946 W., dated 11th April 1893.

3. The budget estimate of expenditure for 1893–94, as shown in the preliminary budget, amounted to Rs. 28,379. The Government of India having passed the estimate for Rs. 28,000 in round figures, the necessary reductions have been made in the grants for establishment and tools and plant and in item No. 20 under repairs.

4. The revised estimate of charges for 1892–93 under Excluded Local Funds, adopted in the preliminary budget, amounted to Rs. 29,457, but the modifications of grants subsequently sanctioned, increased the estimate to Rs. 31,489.

5. With reference to para. 2 of the Proceedings in the Financial Department, dated 9th January 1893, No. 7, printed with G.O., No. 343 W., dated 8th February 1893, Superintending Engineers will apply as early as possible for the allotments required for Minor works and repairs under Excluded Local, Port funds.

6. The allotment of Rs. 1,26,178 inclusive of percentage charges required for additions and repairs to the Senate House at Madras referred to in para. 3 of G.O., No. 343 W., dated 8th February 1893, has not yet been placed at the disposal of the Public Works Department. The amount has not therefore been entered in the final budget.

7. The Superintending Engineer, IV Circle, will expedite the estimate for the boat jetty at Malpi called for in para. 4 of G.O., No. 343 W., dated 8th February 1893. No expenditure should be incurred on the work until the estimate has been sanctioned by Government.

8. With these remarks, the final issue of the Incorporated and Excluded Local Fund budget estimates for 1893–94 will be printed and circulated to the officers concerned for information and guidance, and 35 copies, as shown in the margin, will be forwarded to the Government of India, Public Works Department.

RESOLUTION.—The Revised and Budget Estimates of revenue and expenditure for 1892-93 and 1893-94, respectively, are accepted by the Government of India for the amounts shown in the accompanying statement.

2. The alterations in the Revised Estimate advised by the Government of Bombay in telegram No. 67 T., dated 9th March 1893, were communicated too late to be carried out. The estimates, as now passed, are based on the figures reported in letters Nos. 286 A. and 287 A., dated 23rd February 1893.

P. W. CURRENT No. 3179

3. On a consideration of the progress of expenditure, the Government of India have reduced the amounts proposed as the Revised Estimates of expenditure on Provincial Civil Works in charge of Departmental Officers in Bengal, the North-Western Provinces and Oudh, Punjab and Bombay by Rs. 50,000 in each case.

The Revised Estimates of expenditure on Incorporated Local Civil Works in charge of Departmental Officers in Lower Burma, Assam, North-Western Provinces and Oudh and Bombay have been reduced by Rs. 50,000 each for similar reasons.

4. The Government of India have reduced the ensuing year's Budget Estimate of expenditure by Departmental Officers on Provincial Civil Works in Assam from Rs. 19,52,000 to Rs. 16,93,000 and that for Provincial Civil Works in charge of Civil Officers in Madras from Rs. 5,88,000 to Rs. 5,01,000.

5. The Government of India observe that no provision appears to have been made in the Budget Estimate of Provincial Civil Works in Lower Burma for the establishment of the Rangoon Military Works Division which has been re-transferred to the control of the Chief Commissioner.

6. Appendix D of the Budget Estimate is not required in future and may be omitted from the final issues.

7. The final issues of the Provincial and Incorporated Local Public Works Budget Estimates should be prepared for the amounts accepted, and despatched* so as to reach the Government of India not later than the 1st May 1893.

* 10 copies to Simla and 25 to Calcutta.
