Resolution.—The revised and budget estimates of revenue and expenditure for 1892–93 and 1893–94, respectively, are accepted by the Government of India for the amounts shown in the accompanying statement.

2. The alterations in the revised estimate advised by the Government of Bombay in telegram No. 67 T., dated 9th March 1893, were communicated too late to be carried out. The estimates, as now passed, are based on the figures reported in letters Nos. 286 A. and 287 A., dated 23rd February 1893.

3. On a consideration of the progress of expenditure, the Government of India have reduced the amounts proposed as the revised estimates of expenditure on Provincial Civil Works in charge of departmental officers in Bengal, the North-Western Provinces and Oudh, Punjab and Bombay by Rs. 50,000 in each case.

The revised estimates of expenditure on Incorporated Local Civil Works in charge of departmental officers in Lower Burma, Assam, North-Western Provinces and Oudh and Bombay have been reduced by Rs. 50,000 each for similar reasons.

4. The Government of India have reduced the ensuing year's budget estimate of expenditure by departmental officers on Provincial Civil Works in Assam from Rs. 19,52,000 to Rs. 16,93,000 and that for Provincial Civil Works in charge of civil officers in Madras from Rs. 5,88,000 to Rs. 5,01,000.

5. The Government of India observe that no provision appears to have been made in the budget estimate of Provincial Civil Works in Lower Burma for the establishment of the Rangoon Military Works Division which has been re-transferred to the control of the Chief Commissioner.

6. Appendix D of the budget estimate is not required in future and may be omitted from the final issues.

7. The final issues of the Provincial and Incorporated Local Public Works budget estimates should be prepared for the amounts accepted and despatched * so as to reach the Government of India not later than the 1st May 1893.

* 10 copies to Simla and 25 to Calcutta.

Order.—Ordered that the foregoing be communicated to the Local Governments and Administrations, noted in the margin, for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Agent to the Governor-General, Rajputana.

Ordered, also, that copies be forwarded to the Finance Department and to the Accountant-General, Public Works Department, for information.

ORDER—dated 12th April 1893, No. 1013 W., Public Works.

The revised and budget estimates of revenue and expenditure under Provincial Civil Works for 1892–93 and 1893–94, respectively, as shown in the statement annexed to the resolution of the Government of India recorded above, have been adopted in the final issue of the budget.

2. The revised estimate of charges for 1892–93 adopted in the preliminary budget amounted to Rs. 23,17,086 and the surrender * of Rs. 3,000 to the Financial Department for repairs to the Itikavalsa-Koraput road reduced the estimate to Rs. 23,14,086. This reduction has not been taken into account by the Government of India.

* G.O., No. 239 W., dated 2nd Feb. 1893.

3. The unspent balance of the sanctioned estimate for the District Surgeon's quarters at Anantapur having been allotted in 1892–93, the grant of Rs. 4,000 provided for the work in the preliminary budget for 1893–94 has been withdrawn in the final issue.

4. A sum of Rs. 2,060, being the amount of the estimate for the Sub-Registrar's office at Purushottapur in the Ganjam district, was provided in the preliminary budget. A separate allotment of Rs. 1,600 has since been made for the work, and the balance of the estimate being less than Rs. 500 no appropriation is necessary under para. 59, chapter XIV, vol. II, of the Public Works Code. The work has therefore been excluded from the final issue.

5. The following works have been eliminated from the budget with reference to the Government orders quoted against them :—

(*a*) Constructing fifty police huts for the town and taluk station constables at Mannárgudi in the Tanjore district (G.O., No. 992 W., dated 12th April 1893).

(*b*) Constructing a new ward at the Leper hospital at Madras to increase accommodation (G.O., No. 830 W., dated 27th March 1893).

(*c*) Quarantine shed for females, hospital for warders, and deputy chief warder's quarters at Salem (G.O., No. 1090 W., dated 18th April 1893).

6. The alterations referred to in the letter from the Inspector-General of Jails, No. 1084, dated 18th March 1893, communicated with the Proceedings of the Judicial Department, recorded above, have been carried out in the final issue.

7. The grants for items 10, 11, 37, 43, 71 and 88 of the preliminary budget have been reduced and those for items 1, 36, 38, 29, 52, 77, 78, 89, 103 and 104 increased so as to correspond with the unspent balance of the sanctioned estimate in each case.

8. The grant for the Nellore division under Civil Buildings Minor Works has been increased to Rs. 3,660 with reference to G.O., No. 948 W., dated 11th April 1893.

9. The amount required for incomplete works will be provided from the reserve on receipt of detailed proposals from Superintending Engineers and the Consulting Architect. These should be submitted as early as possible.

10. The allotments provided in the budget for Agency works in the Vizagapatam district will be placed at the disposal of the Agent to the Governor in separate Proceedings.

11. A sum of Rs. 2,100 has been reserved in the budget for the conservation of archæological works. From this amount Rs. 600 are placed at the disposal of the Superintendent, Archæological Survey. Detailed proposals for utilising the balance should be submitted by Superintending Engineers as early as practicable.

12. The allotments applied for by the Chief Engineer, Military Works, Madras Command, for expenditure on minor works and repairs at Bangalore and Wellington have been provided in part II.

13. Superintending Engineers and the Consulting Architect will lose no time in submitting plans and estimates for the unsanctioned works for which funds have been provided. No expenditure should be incurred on them until the estimates have been sanctioned by competent authority.

14. The distribution of grants for minor works and repairs is shown in part II and that for tools and plant in part IV.

15. With reference to letter from the Government of India, No. 132 A.C.W.,* dated 6th July 1892, appendix C will be submitted as a separate document in continuation of the final issue of the budget.

* G.O., No. 2040 W., dated 22nd July 1892.

16. In accordance with the instructions contained in para. 6 of the Government of India resolution recorded above, appendix D has been omitted from the final issue, and the Examiner of Public Works Accounts will be informed that its submission may be discontinued in future.

17. With these remarks the final issue of the Provincial Civil Works budget estimate for 1893–94 will be printed and circulated for the information and guidance of the officers concerned and 35 copies, as shown in the margin, will be forwarded to the Government of India, Public Works Department.

READ—the following papers :—

From A. G. CARDEW, Esq., M.A., C.S., Acting Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 24th June 1892, No. 2981.

Upon the receipt of G.O., dated 21st April 1892, No. 759, regarding the extension of the Párvatipur Hill Jail, I addressed the Superintending Engineer, I Circle, requesting him to separate the plans and estimates relating to the three works approved in para. 4 of the Government order in order that they might be submitted at once for the sanction of Government, it being unlikely that the whole of the works proposed in the estimates forwarded with Colonel McDonald Smith's No. 181, dated 25th May 1891, could be executed, or funds for them all allotted, within the current year. The Superintending Engineer has accordingly furnished separate estimates amounting to Rs. 13,800 and plans for the three works noted in the margin, and I have the honour to submit them for the approval and sanction of Government.

(1) Construction of a new office over the main gate.
(2) Doubling the length of the 4 barracks.
(3) Construction of a verandah to each barrack.

2. In view of the unhealthy character of the Párvatipur Jail during recent years and the large amount of overcrowding which has necessarily occurred there, I venture to recommend that the execution of these estimates be regarded as an urgent work, for which an appropriation from the Provincial Public Works reserve may be made. If, as seems probable and as the Government has held, the high rate of mortality in the jails, has been connected with the insufficient accommodation, the case appears to be one in which special allotment of funds is fully justified.

3. As regards the other works proposed to be carried out in the jail, as to which the Government has called for additional information, a further report will be submitted as soon as I have visited Párvatipur, which I propose to do next month.

No. 1172, Judicial.

The estimates are approved and transferred to the Public Works Department.

(By Order.)

(Signed) A. BUTTERWORTH,
Ag. Under-Secretary.

4th July 1892.

Note by the Chief Engineer, Public Works Department.

Instead of supporting the verandah roof partly on wall purlins carried by support pillars and partly on wall plates let into the wall, a wall purlin should be employed for the whole length of the verandah carried on stone corbels let into the wall (*vide* sketch with G.O., No. 3120 W., dated 19th November 1891).

2. The support pillars will not then be necessary, and the verandah pillars may then be spaced equidistantly. The floor of the proposed office is designed to be carried in teakwood girders and joists, and an end of one of the girders comes just over the large archway. This is an unsafe position, and the span being only 12′ the roof may well be supported on joists alone of section 3″ × 7″ spaced 15″ apart from centre to centre. No provision has been made in the estimate for new joists across the 9′ passage.

3. The trusses are spaced 12′ 2″ apart, it will be advisable to slightly increase the section of tie beam and principal rafters to 4″ × 6″ and 4″ × 5½″ respectively. The purlins should also be increased to a section 6½″ square.

4. Details of the stairs are not understood, but there is apparently no necessity for a masonry pillar if newels are used.

5. No foot-note has been made in accordance with para. 937 of the Code.

6. Estimate is submitted for sanction.

Chief Engineer P.W.D.

ORDER—dated 9th August 1892, No. 2198 W., Public Works.

The estimate, amounting to Rs. 13,300, for certain additions and alterations to the Hill Jail at Párvatipur in the Vizagapatam district is sanctioned.

2. The question of providing funds will be considered in the Financial Department.

3. The sanction accorded in para. 1 of these proceedings has been registered as Provincial No. 39 W. of 1892–93 and classified as Civil Buildings, Original Works.

4. Attention is drawn to the note by the Chief Engineer.

Telegram No. 67 T., " 9th March " " " "

RESOLUTION.—The Revised and Budget Estimates of revenue and expenditure for 1892-93 and 1893-94, respectively, are accepted by the Government of India for the amounts shown in the accompanying statement.

2. The alteration in the Revised Estimate advised by the Government of Bombay in telegram No. 67 T., dated 9th March 1893, were communicated too late to be carried out. The estimates, as now passed, are based on the figures reported in letters Nos. 286 A. and 287 A., dated 23rd February 1893.

3. On a consideration of the progress of expenditure, the Government of India have reduced the amounts proposed as the Revised Estimates of expenditure on Provincial Civil Works in charge of Departmental Officers in Bengal, the North-Western Provinces and Oudh, Punjab and Bombay by Rs. 50,000 in each case.

The Revised Estimates of expenditure on Incorporated Local Civil Works in charge of Departmental Officers in Lower Burma, Assam, North-Western Provinces and Oudh and Bombay have been reduced by Rs. 50,000 each for similar reasons.

4. The Government of India have reduced the ensuing year's Budget Estimate of expenditure by Departmental Officers on Provincial Civil Works in Assam from Rs. 19,52,000 to Rs. 16,93,000 and that for Provincial Civil Works in charge of Civil Officers in Madras from Rs. 5,88,000 to Rs. 5,01,000.

5. The Government of India observe that no provision appears to have been made in the Budget Estimate of Provincial Civil Works in Lower Burma for the establishment of the Rangoon Military Works Division which has been re-transferred to the control of the Chief Commissioner.

6. Appendix D of the Budget Estimate is not required in future and may be omitted from the final issues.

7. The final issues of the Provincial and Incorporated Local Public Works Budget Estimates should be prepared for the amounts accepted, and despatched* so as to reach the Government of India not later than the 1st May 1893.

* 10 copies to Simla and 25 to Calcutta.
