DOWLAISHWERAM, 27th March 1893.

SIR,

I have the honor to bring to your notice that a watcher on Rs. 5 pay was employed at Alamur Rest House, by the Executive Engineer Godavari Eastern Div., for the period specified in the margin, & his pay was in accordance with the custom, hitherto in vogue, debited to a repair estimate under para 964 of the Madras P.W. Code.

Salary of Alamur Rest house watcher G. Pallipadu for 2 years @ Rs. 5-0-0 = 120-0-0
1 month = 5-0-0
20 days April 93 = 3-5-4
8-5-4

2. The Examiner of P.W. Accounts has taken objection to the debit, and instructed the Executive Engineer to write back the outlay, incurred on this account, to 'Establishment Temporary' and obtain sanction of Govt. as per G.O. No. 1238 Wol/28 April 1890.

3 I have therefore the honor to request the favor of your moving the Govt. to accord the necessary sanction in view to the removal of the Exa-miner's objection.

4. Under my instructions, the servies of a special watcher at the rest-house in question were dispensed with on 21st April 1892, when the nearest mile cooly on the canal was ordered to look after the Bungalow.

5. I further beg to state that this watcher's name was included in the general statement of Irrigation &c establishment, submitted with my letter No. 597 Gl. dated 13th January 1893. As it may be some time before final orders are passed on it, I venture to make this special re-ference, to remove a long standing objectionable item in the accounts of Godavari Eastern D.

I have the honor to be
Sir
Your most obedt. servt.
