Referring to previous Correspondence ending with G.O. No. 331 dated 18th January 1893 regarding the provision of free quarters for the port flagstaff signalman I have the honour to inform you that the Ag Deputy Port Conservator has suggested, as there is no space available for the two juniors in the Old High Court buildings, that quarters might be erected in the Old Marine Yard to the south of the stables

and I would solicit the favour of instruction being issued to the Consulting Architect to Government, to place himself in communication with the Dy Port Conservator, and that he may furnish me with a plan, and an estimate of the approximate cost, to enable me to place definite information before the Board, as Conservator, for submission to Government.

I have the honour to be
Sir
Your obedient Servant
Chairman
