From,

A.G. Cardew Esq. M.A. C.S.
Inspector General of Jails

To,

The Executive Engineer
Coimbatore Division

Sir,

In continuation of Colonel Smith's letter no 4507 dated 5 November 1891, I have the honor to state that the proposal to build a Separate Female quarantine block has been finally abandoned, and that the estimate for Rs. 640 for this purpose may be regarded as definitely cancelled. It may be necessary later to increase the accommodation in the Female yard at Salem, but this is altogether an independent question.

Letter from the Inspector-General of Jails, dy 21st March 1893, No. 1125.

I have the honor to return the papers received under Mr. Butterworth's endorsement, No. 510, dy 16th March 1893, and to state that the Executive Engineer, Salem Division, is right in stating that Item 42 B work in the Preliminary Issue of the Public Works Budget Estimate should be omitted.

2. The statement in Public Works Endorsement, No. 1057, dy 4th March 1893, that the work was included in the list submitted by me is correct. The explanation is that when that list was submitted by me in September last, I had not yet visited Salem, and did not know either that

that the Warders' Hospitals and Deputy Chief Warder's quarters were furnished or that the proposed female quarantine yard was so entirely unfeasible as inspection of the proposed site showed it to be.
