Rec'd 12th do.

No. 80.

From.

J. E. Paul Esquire,
Executive Engineer,
On Special Duty Vamsadhara
Investigation Project.

To.

The Chief Engineer
for Irrigation Works
Madras.

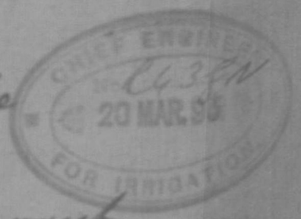

Sir,

I have the honour to state that in some cases it is necessary for me and the overseer to halt more than 10 days at a place while employed on this Special duty, for instance at Kirsamandalam near the site of the proposed Anicut, and that it is necessary to keep Camp Equipage. I tried in January not to employ camp equipage, except when I actually required it, and failed utterly to get carts and bullocks in the Zemindari villages when I wished to move camp. I therefore request that if you approve you will ask the Local Government in accordance with article 1159 of the Civil Service Regulations

to

to exempt me and overseer T. Parayyah Naidu
from the operation of the rules in the
same para.

I have the honour to be
Sir,
Your most Obedient Servant

To W

Mr Paul does not ask for
sanction for exemption from operation
under Civil Service Regulations article 1159
in any specific case. He has applied for
general sanction which may be granted
if the Local Government thinks fit
under the latter portion of article 1159.

Under the rules
