To

The Chief Engineer
Public Works Department

Sir,

I have the honor to inform you that in October last a blasting lascar named John on Rs 8 per day while retreating after firing a blast, stumbled and fell. He had a detonator in his hand which exploded and injured his eyes. The Apothecary here at that time being incompetent to perform the necessary operation, the man had

to

to go to Madras where one eye was removed. He returned in November to Periyar where he has been doing light duty till a day or two ago when his other eye failed him and he has had to again give up the work. For his journeys to and from Madras Mr de Winton passed him Travelling Allowance to the amount of Rs 16/, under G. S. R. Section 1170 Note 1.

2. The examiner has now disallowed this "there being no rule under which the claim can be admitted", but as the case seems to me to be one particularly deserving of consideration, I beg to recommend that it may be brought to the notice of Government for favorable disposal under G. S. R. Section 788, and as the Coolie has since been again thrown out of work

work and is leaving for Madras, I would recommend that the full amount of gratuity named — therein may be granted viz Rs 20/.

I have the honor to be
Sir,
your most obedient Servant
