Read the following papers:-

From the District Magistrate of Kistna dated
9th March 1893, No: 211.

There is an old building consisting of one room only in the compound of the Subsidiary-jail at Masulipatam. It is ^{outside} the actual jail building. It was last used as an office by the Deputy Superintendent of Survey in 1892. At the present time it is only used by the two Subsidiary jail warders to sleep in. They can get equally good accommodation and nearer their charge in the guard-room at the jail gateway.

2. I propose with the approval of Government to hand over this single roomed building to the Local Volunteer Company as a reading room. Volunteering is not very popular in this District and the men would undoubtedly be pleased and attracted by the possibility of seeing papers, periodicals &c at a common meeting place.

3. My proposal will involve no expense to Government.

Order of 11th April 1893, No: 749.

The District Magistrate's proposal is approved subject to resumption of the building if required for any Government purpose.
