COLLECTOR'S OFFICE
RECEIVED
APR 1893

Petition presented by the undersigned inhabitants of Panniankara Amsom, Calicut

Most Respectfully Showeth,

That your honor's Petitioners understand that it is in contemplation by Government to acquire for the use of the Sub Registrar's office at Panniankara, the site of land now occupied by the Vazhayil Temple lying next to the Police Station at Panniankara and that the place has already been examined for the purpose by Government officers.;

That your Honour's Petitioners beg respectfully to state that this temple is an old and important place of worship of the Thiyans of the place; that the acquisition of the site by Government will painfully affect the religious interests of that community; that the temple can not be removed from its present site as by so doing its sanctity will be lost; that the temple-building is now in the course of improvement at a considerably large expense met by subscription from the Hindu inhabitants of the places;

That the site of land now occupied by the temple is a grant from "Ambadi Kovilakom,"

to

to whom the proprietary right belongs to the Thiyya family of Vazhayil for the very purpose of erecting this temple; this family had other lands attached to this place held on "Adima" right by them; that when the family was in need it mortgaged its right in the place to a certain Nayar of the place and thus subsequently the right in the land passed to the present owners, Edathody Sankaran; that the temple and the place on which it stands being a grant from the Kovilagam for a religious purpose cannot be affected by the transfer which the adjoining land has had and that the temple-site can not therefore be alienated from its original possessors, the Vazhayil Thiyyans who with certain other families form the trustees of the temple:

That Petitioners beg humbly to state that it would be a matter of very great hardship to the Thiya public of the place should Government decide to have the place taken for the use of the Sub Registrar's Office and to remove therefrom the temple which is looked upon with peculiar veneration by the Thiyas on account of certain peculiarities in the place and surroundings.

That the Petitioners beg to state that there are other better sites available at Panniankara for building the Sub Registrar's Office.

Petitioners therefore most respectfully and humbly pray that your Honour may be graciously pleased to order that the temple and its present site may not be interfered with; 1130/2

For which act of kindness and charity Petitioners shall, as in duty bound, Ever Pray.

Rep. on M.P. No 434

Malabar Collector's office
Calicut 5th April 1893.

From,

H. Bradley Esquire
Acting Collector of Malabar

To

The Secretary to Government
Public Works Department
Madras.

Sir,

In continuation of my letter dated 29th March 1893, Ref on. C.a 1147/P 93, I have the honor to forward herewith a petition from Vazhayil Kunhiri and 35 others praying that the site selected for the Sub Registrar's office at Panniankara may not be taken up under the Act owing to the existence of a temple upon it.

2. The Head Quarter Deputy Collector who inspected the site reported in February 1892 that the temple was formerly in a ruined condition and that it was recently repaired with a view to enhancing the compensation payable under the Act.

3. My predecessor requested the Deputy Collector to issue a notice with reference to clause 7, Section 25, Act X of 1870 and to select another site for the Sub.

Sub Registrar's office. The Deputy Collector reported that two other sites were available, but that the cost of acquiring them would be great, as one was a low laying land and the other contained some costly buildings. Mr Dunnerjee therefore decided to acquire the land with the temple on it.

4. If the Government is pleased to comply with petitioners' prayer, arrangements will be made for the selection of another site for the Sub Registrar's office, although it would enhance the cost of acquisition

I have the honor to be
Sir.

Your most obedient Servant,

H W Bradley
